INTRODUCTION

to Catalogue Prices

1. **WWF Stamp-Catalogue Groth**

The numbering system of this Price List is based on the WWF Stamp Catalogue Groth 1969 - March 1998 and the supplements 1 - 7 from April 1998 - December 2011.

2. **Catalogue Prices**

Our Catalogue Prices are retail prices for collectors.

We have established these prices by comparing the catalogues Michel Germany, Gibbons Great Britain, Scott USA and Yvert France. And also from Price-Lists we have received from dealers specialised in WWF stamps.

3. **Prices and Conversion**

The prices are in Swiss Francs and are net without any further discount. For the conversion to other currencies the exchange rate can be seen on a daily basis on the Internet site

<http://www.oanda.com/convert/classic>

4. **Webshop**

The prices are identical to the prices on our Webshop www.wwfstamp.com. On the Webshop a direct conversion to EUR is also possible.

5. **Changes in Prices**

Any changes in prices as well as new items will be taken up in our Webshop as well as also on this Wholesale Price List.

6. **Orders**

Orders can be sent by our Webshop www.wwfstamp.com, by Email to hans.groth@groth.ch or by telefax or post.
